

### **DEAR PAYROLL CLIENT:**

We are fast approaching the end of the year and we want to remind you about some tasks to complete as soon as possible. Please read this newsletter carefully and keep it available for reference.

### **INCLUDED IN THIS NEWSLETTER:**

- Important Dates processing deadlines
- FAQS frequently asked questions for year-end
- 2024 Update rates and limits for 2024
- Additional Wage Adjustments Checklist
- Bonus Payroll form must be returned before bonus payrolls are processed

It is our goal to help you anticipate the information we need from you to complete your payrolls and year-end processing in a timely fashion. Any payroll adjustments and bonuses need to be processed before the end of December 2023 to ensure you do not receive any tax penalties, unless you return the checklist provided at the end of this newsletter indicating you will submit adjustments after December 31. Any late submissions that trigger a rerun of year-end processing without prior notice may incur re-processing fees.

Communication of your year-end activities is critical. If you have any questions, please ask your Payroll Specialist.

Sincerely,

The Payroll Support Teams at EBC

# **IMPORTANT YEAR END INFORMATION**

### **BILLING FOR YEAR-END W-2, 1095, AND 1099-NEC FORMS**

Charges for 2023 forms W-2, 1095 and 1099-NEC will be invoiced with the last scheduled payroll in January.

### **HOLIDAY SEASON CHECK DATES**

Please review your payroll calendar for check dates that occur around the Thanksgiving, Christmas, and New Year's holidays. November 23, 2023, December 25, 2023, and January 1, 2024, are banking holidays, so no direct deposit transactions will post on those dates. Please notify your Payroll Specialist with any check date changes prior to submitting payroll. Please refer to submission deadlines on page two of this newsletter.

### MISSING ID OR SOCIAL SECURITY NUMBERS/EMPLOYEE ADDRESS INFORMATION

If you are missing your Federal ID (FEIN), State ID (EIN), the Social Security Number (SSN), and/or address for any of your employees, please report this information to your Payroll Specialist. Federal and state agencies can impose penalties for every employee without a Social Security number.

### W-2 AND YEAR-END DELIVERY PROCESS

For companies who have not requested a hold pending adjustment, distribution of W-2s will begin the first week of January. Printed W-2s will be shipped to you via your normal tax delivery method, unless you typically pick up your payroll package at our office, in which case they will be available for you there as well as sent to you electronically if your account is set up to do so. For clients who have previously signed up for the Employee Self-Service (ESS) portal, their employees will also be able to access W-2s through ESS. Copies of W-2s must be distributed to your employees by January 31. If you have any special instructions for the printing or delivery of your W-2s, please inform your Payroll Specialist. For the protection of your employees' sensitive information, Social Security numbers will be automatically truncated on all W-2 forms, unless we receive a specific request otherwise.

### **FUTA CREDIT REDUCTION**

For 2023, the following states are subject to FUTA Credit Reduction: California, Connecticut, Illinois, New York, and the Virgin Islands. Per the IRS, "a state is a credit reduction state if it has taken loans from the federal government to meet its state unemployment benefits liabilities and has not repaid the loans within the allowable time frame. A reduction in the usual credit against the full FUTA tax rate means that employers paying wages subject to unemployment insurance (UI) tax in those states will owe a greater amount of tax." For 2023 all companies with employees in these states who are subject to Federal Unemployment Tax will owe additional tax at the end of the year, on top of what has been collected with your payrolls. We will not be able to confirm exactly how much any company will owe until we start processing tax returns at the end of December, but you can estimate the additional amount by determining the number of employees who earned at least \$7000 in 2023 and multiplying by \$84. Once we have the totals due, we will send out information to each client about the specific amount we will need to collect to pay in with your Form 940, for collection in mid-January. For more information on FUTA Credit Reduction, please visit <a href="https://www.irs.gov/businesses/small-businesses-self-employed/futa-credit-reduction">https://www.irs.gov/businesses/small-businesses-self-employed/futa-credit-reduction</a>.

# **COMMON YEAR-END ADJUSTMENTS**

### REPORTING THIRD-PARTY SICK PAY (DISABILITY PAYMENTS)

By law, insurance companies have until January 15, 2024 to report to you any disability insurance benefits paid to your employees during 2023. Should you receive notification of such payment after reporting your last payroll for the year, please contact your Payroll Specialist immediately. If you expect to receive third-party sick pay information on any employee after your last payroll, please submit the Year-End Adjustment Checklist in advance. Since third-party sick pay affects all fourth-quarter and year-end returns, including W-2 forms, the processing of your returns will need to be delayed.

### PROCESSING BONUS PAYROLLS / FRINGE BENEFITS / ADDITIONAL WAGE INFORMATION

Please complete and return the checklist and forms provided in this Year-End Newsletter before these special year-end payrolls can be processed. The forms are designed to help your Payroll Specialist accurately process these special types of payrolls. If you have any questions when filling out these forms please contact your Payroll Specialist. Please note that gift cards are considered taxable earnings and must be reported on the W-2. If any single employee is paid a bonus of \$100,000 or more, the entire payroll must either be submitted 5 days in advance of the check date or funded with a wire transfer.

### **GROUP-TERM INSURANCE**

Please report the amount of group-term life in excess of \$50,000 before your last payroll for this year. The value is based on an IRS published table that assigns a value for each \$1,000 of excess coverage per month based on the employee's age. The value of group-term life insurance in excess of \$50,000 that is included in total wages is FICA taxable, even if the insurance was provided through a cafeteria plan. As the employer, you are liable for the employee FICA if you decide not to withhold it.

#### **FRINGE BENEFITS**

The value of personal use of company cars or other taxable cash or non-cash benefit must be included on Form W-2. Please report these benefits BEFORE your last payroll for the year. Reporting taxable benefits with cash wages allows the appropriate withholding taxes to be deducted from the employee's check. If these amounts are processed without wages, you may be required to pay the employee's portion of Social Security and Medicare taxes. Specific information about several types of benefits is provided below.

# **COMMON YEAR-END ADJUSTMENTS**

### **DEPENDENT CARE ASSISTANCE**

On Form W-2, employers are required to show in Box 10 (Dependent Care Benefits) the total amount of dependent care benefits paid or incurred for the employee, including any amount in excess of the \$5,000 exclusion. If you provided dependent care services to employees under an employer-sponsored program, you must report the benefits paid or furnished by your last scheduled payroll run.

### FLEXIBLE SPENDING ACCOUNTS (FSA)

Contributions to an FSA are made before taxes and are used to pay non-covered health and dental costs like copayments, deductibles, eye care, braces, prescription drugs or hospital care. FSA's can also be used to help pay for childcare and approved adult care. This is not required to be shown on the W2 form but can be added to Box 14 if you prefer (see Reporting Amounts on Form W-2, Box 14 at the end of this document).

### **HEALTH SAVINGS ACCOUNTS (HSA)**

On Form W-2, employers are required to show in Box 12w any employer and employee contributions to a Health Savings Account. For 2024 the **limits will increase** to \$4,150 for Single HSA and \$8,300 for Family HSA, with a \$1,000 catch-up contribution allowed for those over the age of 55.

### FORM W-2 REPORTING OF EMPLOYER-SPONSORED HEALTH COVERAGE

The Affordable Care Act requires employers to report the cost of coverage under an employer-sponsored group health plan. Reporting the cost of the health care coverage on the Form W-2 does not mean that the coverage is taxable. The value of the employer's excludable contribution to health coverage continues to be excludable from the employee's income, and it is not taxable. This reporting is for informational purposes only and will provide employees useful and comparable consumer information on the cost of their health care coverage.

Employers that provide "applicable employer-sponsored coverage" under a group health plan are subject to the reporting requirement. This includes businesses, tax-exempt organizations, and federal, state and local government entities. The value of the health care coverage will be reported in Box 12 of the Form W-2 with Code DD to identify the amount. In general, the amount reported should include both the portion paid by the employer and the portion paid by the employee. More information can be found at http://www.irs.gov/uac/Form-W-2-Reporting-of-Employer-Sponsored-Health-Coverage.

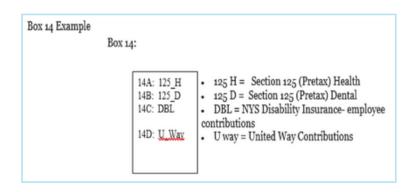

**NOTE:** Employers who filed fewer than 250 Form W-2's for the preceding calendar year are not required to report healthcare coverage on their 2023 W-2's.

### **INFORMATION TO BE REPORTED ON W-2**

### **REPORTING AMOUNTS ON FORM W-2 BOX 14**

The IRS allows employers to use Form W-2, Box 14 (Other) to report information to their employees (e.g., charitable contributions, union dues). We can set up specific earnings/deduction codes to print in Box 14. If you want an earning/deduction code to print in Box 14, let your Payroll Specialist know during your next scheduled payroll. Please review the earning/deduction code descriptions you use. Only the first five letters of your earning/deduction code description will print in Box 14. This title should be as descriptive as possible.

For example, an earning/deduction code labeled "Misc." may not be sufficient to substantiate a charitable contribution. Your Payroll Specialist can have your earning/deduction code descriptions adjusted if necessary.

For each item you use, we will label beginning with 14A, 14B, and so on. You may have up to four items listed in Box 14, as shown in box to the left.

### **CODES REPORTED ON FORM W-2 BOX 12**

In many cases, you may find an amount entered in Box 12 of your W-2 with a code indicating the type of payment that it represents. This is a listing of the codes for that box.

### **PLANNING FOR 2024**

### IRS FEDERAL DEPOSIT NOTICE

In late November, the IRS will mail tax deposit frequency change notices to all employers who have a change in their deposit frequency for 2024. When you receive these notices, it is very important that you send them to us at EBC so we can update our records. We do not automatically receive this information.

### STATE DEPOSIT FREQUENCY CHANGE NOTICE

We do not automatically receive this information from your state(s). When you receive these notices, it is very important that you send them to us at EBC so we can update our records. You may receive this information sometime in the 4th quarter.

### **UNEMPLOYMENT INSURANCE RATE CHANGE FOR 2024\*IMPORTANT**

We do not automatically receive this information from your state(s). When you receive these notices, it is very important that you send them to us at EBC so we can update our records. New York State does not send rate changes until mid-February, at which time your contributions for 2024 payrolls will be recalculated.

#### **SOCIAL SECURITY WAGE BASE INCREASE FOR 2024**

The Social Security Old Age Survivors and Disability Insurance (OASDI) wage base for 2024 has changed to \$168,600. Therefore, the maximum 2023 OASDI tax payable by each employee is \$10,453.20 or 6.2 percent of the wage base. That amount is matched by an equal contribution from the employer.

### **MEDICARE - ADDITIONAL HOSPITAL INSURANCE TAX**

The Patient Protection and Affordable Care Act requires employers to withhold a 0.9% Additional Hospital Insurance Tax on High Income Taxpayers, this is also known as the "Medicare Surtax." Employers are required to withhold this additional tax on wages/compensation paid to an employee in excess of \$200,000 per calendar year. Our payroll system will automatically withhold this additional tax once an employee reaches the \$200,000 level.

### 2024 401(K), 403(B) LIMITS

The base limit for 2024 has increased to \$23,000, with an available catch-up contribution of \$7,500 for those plans and employees who qualify. PLEASE NOTE THAT OUR SYSTEM WILL STOP 401(K) WITHHOLDING AT THE \$23,000 LIMIT. If you have employees who elect the catch-up contribution, you MUST inform us so that the appropriate setting changes can be made.

**NOTE:** If you are a self-service user who submits payroll, you are responsible for the entry of these types of payrolls. If you have any questions, feel free to contact your Payroll Specialist as you process these payrolls.
